The Chair confirmed that quotes had been requested from 4 contractors and that 2 had been received which had been shared with members prior to the meeting.

Members were advised that at the last meeting of the Gutterscroft Management Committee, an element had been chosen to progress with from one of the quotes which was now being recommended to full council.

Cllr Edgar queried if the quotes were like for like.

The Chair confirmed that one of the contractors has agreed to paint 1 wall within the toilet free of charge.
